

# Seaward Morning School

## Morning School Timetable

The morning school accommodates 23 children aged between 1 and 4 years. It is a fun and structured morning with lots of free play where children embark on the first stages of learning to read, write and to understand simple numbers with the minimum of pressure. A teacher will start a portfolio of your child's progress and discuss with you all developments. The morning session is held 5 days a week from 8:30 a.m. to 1:00 p.m.

Monday                      Tuesday                      Wednesday                      Thursday                      Friday

**GARDEN IN USE ALL MORNINGS!**
